P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant has received a Notice of Abandonment (the "Notice") for the above-identified patent application for failure to timely file a response to the Office Action mailed April 1, 2005. Because a response was timely filed, Applicant respectfully requests withdrawal of the Notice, revival of the present application and entry of papers filed on October 3, 2005.

Examiner Interviews:

Applicant wishes to thank Examiner Vig and the Examiner's supervisor, SPE Weiss, for the courtesies extended during the telephonic interviews regarding the Notice. As discussed with SPE Weiss, Applicant timely submitted a response via facsimile to Examiner Vig's direct facsimile number, which pursuant to MPEP Section 501, should have been entered. SPE Weiss asked that the present Communication be submitted, which would be acted on in about one month from receipt. Evidence of Applicant's timely response and the grounds for revival of the application are set forth in detail below.

Communication Regarding Revival of Application  
Application No.:10/678,871  
Filed: January 9, 2006

Grounds for Revival:

In response to the Office Action mailed April 1, 2005, on October 3, 2005

Applicant submitted the following papers via facsimile to Examiner Vig's direct facsimile number:

1. Petition and Fee for Extension of Time, extending the period for response to October 3, 2005 (October 1 being a Saturday);
2. Amendment;
3. Fee Transmittal;
4. Information Disclosure Statement, including Form PTO 1449 and Int'l Search Report and Written Opinion and cited reference ; and
5. Certificate of Facsimile Transmission.

A copy of the filing, as well as proof of the successful transmission of the filing on October 3, is attached hereto. The Examiner's direct facsimile number was used because the Examiner had asked that it be used for a previous submission of a courtesy copy of another paper.

According to the MPEP § 502.01 (I) (A), once received, Examiner Vig must have either routed the response to the official central facsimile number or entered the amendment by way of an examiner's amendment. Instead, Examiner Vig called Applicant's representative on the morning of October 4, 2005 and asked that the responsive Amendment be re-transmitted to the central facsimile number, which Applicant's representative promptly did.

Accordingly, Applicant's October 3, 2005 submission was timely filed and the Notice of Abandonment should be withdrawn and the application revived to active pending status.

**Communication Regarding Revival of Application**  
**Application No.:10/678,871**  
**Filed: January 9, 2006**

No fees are believed to be owed in connection with this Communication;  
however, if any such fees are deemed to be due, the Commissioner is hereby authorized to  
charge any such fees to Deposit Account No. 19-4709.

In the event that there are any questions, or should additional information be  
required, please contact Applicants' attorney at the number listed below.
